

World Record Breaking
Educational Charity

brings you

A gap year that makes a difference!

An exciting internship based in Potters Bar, Hertfordshire.

Making a difference to others as you get involved in:

As you get involved in:

- **Schools** - presenting Act 4's creative and innovative educational programmes including performing in assemblies and leading classroom sessions
- **Communities** - providing holiday clubs and special events
- **Churches** - delivering in All Age Services and working with youth clubs

Making a difference to you:

As you develop skills and build your CV:

- **Presentation and Communication Skills** - trained and supported to deliver to over 5,000 children
- **Administrative Skills** - develop your ability to manage and organise projects whilst learning about the running of a 3rd sector organisation
- **Design Skills** - use your creative skills to work on brochures, newsletters, and presentation materials
- **Technical Skills** - website, video and music capture, and more. . .

Interested?

Then why not find out how you how YOU could
make a difference!
